

Name:

Elizabeth Gualda Alonso

Research Group (if relevant):

Wastewater Treatment

Research Centre (if relevant):

CIESOL-University of Almería

Department/School(s) (if relevant):

Department of Chemical Engineering

College:

University of Almeria, Spain

Supervisor(s):

Dr. José Antonio Sánchez Pérez and Dr. José Luis Casas López

Funding body:

N/A

Area (field) of study:

Wastewater reclamation by Solar photo-Fenton

Thesis Title:

Scaling up of raceway pond reactors for advanced treatment of WWTP secondary effluents by solar photo-Fenton process.

Abstract:

N/A

Collaborations:

N/A

Publications:

N/A

Presentations:

IX Simposio de Investigación en Ciencias Experimentales 2020 (University of Almeria).
Almeria, Spain, 13 November 2020.
